

## ABOUT: Ann Dana Consulting, LLC

### MISSION STATEMENT

We are a dedicated and experienced team of health, medical and marketing professionals who create tools that empower people to change their lives. As a small, specialized firm, we match affordability with proven results.

### WHO WE ARE

Organizations of all sizes are experiencing the economic and workforce challenges of chronic disease, illness and unhealthy lifestyles. With more than a decade of experience, we help organizations address these challenges by delivering integrated health care and wellness programs in both the public and private sectors.

### OUR APPROACH

We provide affordable health and well-being solutions that can be adapted and implemented over time. We take a consultative approach, providing excellent, individualized customer service to all of our clients.
